Subject Re: Richardson Flats - status of letter? 

Mia - thanks for the update.

The signed letter should be in my R8 mailbox or on my desk if you want a copy. Will this answer the attorney's question - I believe it was Kevin Murray who was asking on behalf of the PRP? UPCM should have received a copy of this release letter - it was cc'd to them if memory serves correctly.

My apologies, I honestly thought that the update about the letter somehow came from you - it did go out maybe 2 weeks or so ago, tho I never got a copy ...

Subject Richardson Flats - status of letter?

Mia -

Did you ever get an answer whether R8's letter releasing funds was mailed out? I have not heard where this stands. Feel free to e:mail or call my number in HQs as I am not checking R8 voice mail on a regular basis. Thanks!

Subject Your question

Hi Mia -

In reference to your question, the Richardson Flats letter releasing funds was routed through Maureen Or, Kathy Hernandez, you and then Sharon Kercher for signature. The letter was likely sent certified to the bank which issued the letter of credit and cc'd: to a company representative, but I don't remember the name at this point.

Maybe Rosemarie can check my R8 mailbox to see whether the letter was signed and mailed out. She usually keeps a log of correspondence mailed out. If so, a green card probably came in corresponding to this letter.

E:mail is the best way to contact me while detailed to HQs - the phone number here is (202) 564-4790.
